## Welcome to the celebration!

In 2025, Stavanger is celebrating its 900th anniversary!

The cathedral, right in the heart of Stavanger, is the city's oldest building. It is Norway's best-preserved medieval cathedral, and has been in continuous use since the 12th Century. After a major restoration, it reopened in 2024, ready for another 900 years. Make sure to plan a visit to view the unique Baroque inventory.

The city's wonderful museums will tell the 900-year story with new exhibitions. Here, you can dive into the history that stretches from the first settlements, centuries before Stavanger became a city, all the way to today. The museums tell the tale of a small coastal town that grew through fishing, shipping, canning, and the oil industry, and which is now Norway's energy capital.

STAVANGER  
2025

## Herzlich willkommen zum Fest!

2025 feiert Stavanger sein 900-jähriges Jubiläum!

Der Dom im Herzen Stavangers ist das älteste Gebäude der Stadt. Er ist Norwegens besterhaltene mittelalterliche Kathedrale und wird seit dem 12. Jahrhundert ununterbrochen genutzt. Nach einer umfassenden Restaurierung wurde er 2024 wiedereröffnet und ist bereit für weitere 900 Jahre. Planen Sie unbedingt einen Besuch ein, um die einzigartige barocke Ausstattung zu bewundern.

Die wunderbaren Museen der Stadt erzählen die 900-jährige Geschichte mit neuen Ausstellungen. Tauchen Sie ein in die Geschichte von den ersten Siedlungen, Jahrhunderte vor Stavangers Stadtgründung, bis in die Gegenwart. Die Museen erzählen die Geschichte einer kleinen Küstenstadt, die durch Fischerei, Schifffahrt, Konservherstellung und Ölindustrie wuchs und heute Norwegens Energiehauptstadt ist.
